

Call for Abstracts

CONFERENCE
2010
The 21st Annual International
SICOMP CONFERENCE
on Manufacturing and Design
June 3-4, 2010
Piteå, Sweden

swerea|SICOMP

Welcome to Piteå

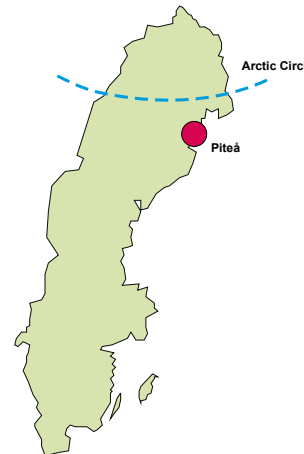

Welcome to the 21st
SICOMP Conference!

The conference is an excellent opportunity for the Nordic and European composite industry, academia and research to meet, attracting composite end-users, composite manufacturers, raw material suppliers and researchers.

While visiting the conference, explore the challenging and exciting nature and surroundings with the midnight sun in the north of Sweden.

See you at the conference,

Hans Hansson
Managing Director

Programme

The conference offers:

- Two days of interesting lectures
- Conference dinner
- Table-Top display
- Poster session
- A meeting place for the composite industry and academia

Invited speakers

A number of internationally renowned speakers are specially invited to the 21st SICOMP Conference to present current research and development activities. We are proud to present:

Prof. Anoush Poursartip
University of British Columbia, Canada

Prof. Kristiina Oksman Niska
Luleå University of Technology, Sweden

Prof. Alexander Bismarck
Imperial College London, UK

Prof. Mohini Sain
University of Toronto, Canada

Call for Abstracts

Swerea SICOMP invites you to submit an abstract to the 21st SICOMP conference. The abstract should be in the format of 1-2 pages in Microsoft word-format.

Presentations and all written material will be in English.

Conference topics

The conference will have three sessions:

- **General session on the main theme Manufacturing and Design of Composites**
- **Biocomposites**
- **Process simulation**

Table-Top Display

A Table-Top display will be organized in connection to the conference and refreshments area. Organizations interested in participation should indicate this to the organizing committee. The exhibitor fee is €160 (incl. VAT) and includes a table of 1x2m during the two conference days.

Location/accommodation

Swerea SICOMP and the Nolia City conference centre are located in Piteå, 50 km south of Luleå Airport. The arctic environment and the conference venue close to the seaside of the Gulf of Bothnia make it worth spending the weekend before or after the conference to explore this part of Europe. Accommodation will be available close to the conference venue.

Important dates

Deadline for receipt of Abstracts:

March 26, 2010

Final programme ready:

April 13, 2010

Conference:

June 3-4, 2010
